RE: Arizona Water Company for an Extension of its existing Certificate of Convenience and Necessity.
Docket No. W-01445A-05-0469

On March 23, 2006, the Commission issued Decision No. 68607 which granted an Order Preliminary to the issuance of the Certificate of Convenience and Necessity ("CC&N") for Parcel 8 as described in Exhibit A and also granted a conditional CC&N for the area described in Exhibit B.

Pursuant to the order, Arizona Water Company ("AWC") was to file a franchise or other consent to operate for Parcel 8 within the municipal boundary of Eloy, Arizona by March 23, 2007.

On November 28, 2006, AWC filed a Request for additional time to comply with the filing requirement. On December 5, 2006, the Commission's Utilities Division Staff ("Staff") filed its Staff Report recommending denial of the request.

On February 12, 2007, a procedural order was issued which denied AWC's request for additional time to comply with the filing requirement.

AWC has fully complied with the conditions set forth granting the CC&N for the area fully described in Exhibit B excluding Parcel 1 as described in the Order. AWC did not file the required compliance items for the Order Preliminary portion which is the area described in Exhibit A, Parcel 8. This area is not certificated by AWC and is now open territory.

Therefore, this memorandum serves as notice to Docket Control Center to Administratively Close Docket No. W-01445A-05-0469 as per Decision No. 68607.
